Handoff Details

Github Account Details

The GitHub account is where all necessary materials are located for replicating and continuing the Cloud1 project. The account details are below:

Repo: <https://github.com/calpolyiot/Cloud1>

Account username: calpolyiot@googlegroups.com

Account password: cloud1platform

Github Account Contents

In the repo consists of all software related to Cloud1 as well as documentation on how to install the software, how to use it, and how to develop it. The first place to get started is to download and open the User_Developer_Guide.pdf file. There you will find instructions on how to get started with Cloud1.
